Public Meeting Friday Night Re Water

FLASH!

As we go to press we learn that at a meeting of interested citizens with Sidney Water Co., the Bradens suggested a temporary relief by staggering water hours for various sections of the district. The hours will be figured out early tomorrow and copies of the schedule will be run off on the duplicator at Sidney School and distributed to pupils to take home.

Friday, Jan. 22, is the date set for a public meeting regarding the water situation in Sidney and district. The meeting will take place in Sidney School at 8 p.m.

Since the last issue of the Review the Sidney Businessmen's Association has received the following communication from Hon. N. W. Whittaker:

Hugh J. McIntyre, Esq.,
President, Sidney Businessmen's Association,
Sidney, V.I., B.C.

Dear Mr. McIntyre:—

After giving a great deal of thought to the water situation in Sidney, and after discussing the matter with the Chairman of the Public Utilities Commission, Mr. Davis, the Comptroller of Water Rights, the Premier, and Mr. R. W. Mayhew, M.P., I feel that the residents of Sidney and District should seriously consider the formation of a water improvement district. I have summarized the most important provisions of the Sections of the Water Act dealing with the formation of water improvement districts and enclose the same herewith for your convenience.

Major McDonald, the Chairman of the Public Utilities Commission, tells me that he has taken part in the formation of a great many water improvement districts throughout the Province and both he and Mr. Davis, the Comptroller of Water Rights, are prepared to give the residents the benefit of their assistance and advice.

It would, of course, be necessary to raise funds for the purpose of taking over, if deemed advisable, the existing water system and for making necessary repairs thereto. Moneys borrowed for this purpose would be secured by the rates collected, and if this source of revenue should prove to be insufficient, by taxation on the lands benefitted by the improvements. Major McDonald tells me that there has been no difficulty in the past in borrowing money for this purpose. It may be possible also to obtain some assistance from the Provincial Government Conservation Fund, either by way of loan or grant, although I am not authorized at the present time to commit the Government in this regard. There is a possibility that the Federal Government might be willing to assist, and Mr. Mayhew has expressed his willingness to co-operate.

The holdings of the Sidney Water Company would have to be appraised at their actual value. In view of the rundown condition of the water system the liability to be assumed for taking over the present system ought not to be prohibitive.

You will notice that the water improvement district would have the power to install a drainage system that might be the solution to the situation which exists as a result of insanitary drainage facilities at Sidney.

One great advantage of an improvement district would be that if in the future it should be necessary to negotiate for an extension of the water system, for example, by connecting up with the City mains, there would be a Board of Trustees with full authority to negotiate with the proper parties.

If your Association should feel disposed to go further into the question of the formation of an improvement district, I would suggest that you call a public meeting for the purpose of forming a committee to take the matter up with the Government, and either to report back or with full authority to proceed. You will note that a petition would be necessary and I shall be glad to assist in drawing the petition. Both the Chairman of the Public Utilities Commission and the Comptroller of Water Rights would be willing to attend the meeting, and I also would be glad to be present.

Yours sincerely,
N. W. WHITTAKER.

Here is a copy of the summary enclosed:

WATER ACT Water Improvement Districts

- Section 182—A petition may be addressed to Lt. Governor-in-Council asking that a certain tract of land be constituted into an Improvement District signed by owners of land within prosed district.
- Section 186—Money may be advanced from Conservation Fund.
- Section 188—The owners of the land shall be constituted a body corporate under such name as Minister deems proper.
- Section 189—The Lt. Governor-in-Council may order a vote of owners of land to be taken as to whether district should be formed. In that event 51% of votes cast would carry and Letters Patent may then be issued.
- Section 190—(1) The Letters Patent shall specify amongst other things:
- The qualifications of voters for the first election.
 - The qualification of Trustees to be elected at the first election.
 - The number of Trustees.
 - The method of grading land for the first Assessment Roll.
 - The classes of works to be constructed by or at the expense of the owners of land.
- Section 190—(2) If it appears that the benefits will be approximately (Please turn to Page Four)

PARISHIONERS OF NORTH SAANICH MEET

The annual vestry meeting of the parishioners of North Saanich was held on Friday afternoon, Jan. 15, in St. Augustine's Hall, Deep Cove, with Rev. Charles A. Sutton in the chair. After the opening prayers there followed the registration on the electoral roll of the names of parishioners present. Capt. C. F. Gibson, people's warden, then read the minutes and presented financial statements of the parish church, the church cemetery and St. Augustine's, Deep Cove, all of which revealed substantial balances in hand after all 1942 commitments had been met.

The following reports were then delivered by the following representatives: Altar Guild, Mrs. C. P. Gibson; Holy Trinity Sunday School, Miss B. M. Carlisle; Deep Cove Sunday School, Rev. C. A. Sutton; Afternoon Branch of Woman's Auxiliary, Mrs. Harold Payne. Capt. Gibson addressed the gathering on the subject of the proposed new scheme of parochial assessments, an important matter to be dealt with at the forthcoming diocesan synod. The congregation unanimously went on record as pledging its full approval and acceptance of the plan, authorizing its synod delegates accordingly.

The chairman gave a general survey of parish life, activities and ministrations throughout last year and disclosed the following statistics for 1942 from the church registers, viz: Baptisms 22, confirmations 21, marriages 7, burials 15. The parishioners were congratulated on their consistently fine response in the field of worship, almsgiving and evangelism—the officers of the church and of her various organizations receiving warm praise and appreciation for their good services. The priest-in-charge then voiced his pleasure in re-appointing James Copithorne as rector's warden.

By acclamation Capt. C. F. Gibson was re-elected people's warden with a unanimous expression of gratitude for his years of faithful labor rendered not only to his own parish but also more especially to the diocese as a whole in his executive capacity.

Other elections were: Church Committee—Col. W. H. Belson, P. Barber-Starkey, A. J. Dakin, E. W. Townsend, H. Wood, with (ex-officio) the churchwardens and priest-in-charge.

Delegates to Synod—Capt. C. F. Gibson and James Copithorne. Substitute Delegates—P. Barber-Starkey and E. W. Townsend.

Delegates to Ruridical Conference—P. Barber-Starkey and E. W. Townsend.

Auditor—W. T. Sisson.

Votes of thanks to Mr. Hodggett, Samuel Roberts, Mrs. James Copithorne, Canon H. St. J. Payne and others for their honorary services during 1942 were accorded. Mr. Graham was re-elected churchwarden for St. Augustine's, Deep Cove, and Mrs. James Copithorne was re-appointed organist for Holy Trinity, Patricia Bay. After various other items of business the meeting was adjourned with prayer and benediction at 5 p.m.

North Saanich Red Cross Unit Reports

The fourth annual meeting of the North Saanich Unit of the Canadian Red Cross was held on Wednesday, Jan. 13, through the kindness of J. J. Woods, in the Farmers' Pavilion, Dominion Experimental Station.

The president reported that the work of the unit had been excellent during the past year and thanked all those ladies who had so generously given of their time and talents. He reported that there are now 523 members of the Red Cross in North Saanich and that the sum of \$4,392.23, which had been raised in various ways, had been sent in to the headquarters in Victoria. The expenses had been nil. Mrs. J. J. White, the convener of the work rooms, reported that a total of 2,202 garments had been sent in to Victoria during the past year, although, owing to a shortage of wool and material, they had been compelled to curtail working days.

A special vote of thanks was accorded to Mr. and Mrs. George T. Mitchell, Miss Lyle, Mr. Towson and Mrs. Hanly for their gift of fleeces.

The election of officers for the ensuing year resulted as follows: President—E. J. Baker. Treasurer—C. C. Cochran.

A. O. Wheeler's Son Has Been Knighted

A. O. Wheeler of Sidney, B.C., and Banff, Alberta, has received word by cable from India that among the King's New Year honors Knighthood has been conferred upon his son, who is now "Brigadier, Sir Edward Oliver Wheeler, M.C., Surveyor General of India."

When in Canada Mr. Wheeler makes his home in Sidney with his father.

BRIDGE PARTY NETS \$67 FOR RED CROSS

GANGES, Jan. 20.—A progressive bridge party, organized by Mrs. R. Rush, entertainment convener of the Red Cross, Ganges Unit, assisted by Mrs. A. B. Elliot and Misses Anna and Mary Lees, was held last Friday in Ganges Inn.

Fifteen tables were in play, the hostesses being: Mrs. V. C. Best, Mrs. W. A. Brown, Mrs. Donald Goodman, Mrs. G. H. Holmes, Mrs. H. Johnson, Mrs. E. H. Lawson, Mrs. W. M. Mount, Mrs. M. B. Mount, Mrs. W. Norton, Mrs. E. Parsons, Mrs. R. Rush, Mrs. C. Springford, Misses Lucy Burkitt, Pauline Howling, Anna Lees. V. Case Morris acted as master of ceremonies for the evening.

Mrs. M. B. Mount and J. M. Napier tied with Miss Anna Lees and Gordon Lees for the first prizes, which finally went to the former couple, the latter receiving the seconds. The winner at the two tables of whist was Miss Rosemary Loosmore and the prize for the lucky chair went to Mrs. W. A. Brown. The following are the four winners of a contest, in charge of Miss Mary Lees: 1. Mrs. C. W. Baker; 2. Mrs. F. C. Turner; 3. Walter Norton; 4. Mrs. W. N. McDermott.

By the proceedings, over \$67 was realized for the funds of the Ganges Unit.

ROYAL OAK INSTITUTE MET THURSDAY

ROYAL OAK, Jan. 20.—The monthly meeting of the Royal Oak Women's Institute was held on Thursday afternoon of last week in the Community Hall. In the absence of the president, Mrs. B. Hoole was in the chair. Miss K. Oldfield, the president, sent New Year's greetings to all the members. Mrs. H. D. Luncy, a new member, was welcomed. Mrs. A. D. Corker presented the treasurer's report and the report of the successful New Year's Eve dance. Plans were made for the year's work, among which will be a bazaar in November. In aid of the Solarium Mesdames W. J. Barber, Old West Road, and A. D. Corker, Wilkinson Road, will hold card parties at their respective homes. A donation of one dozen fruit trees will be given for the Solarium grounds. Institute members have been asked to assist in the re-naming of ration books. It was suggested to put a plaque on the Coronation Oak Tree, which is believed to have had the largest leaves of the oak trees received from England. Donations are asked for the social evening, Feb. 12, for the Prospect Lake Red Cross. A donation of \$10 will be given to the Russian Relief Fund. Mrs. W. J. Lynn gave her report on the Local Council of Women. Delegates elected to the Local Council of Women Conference were Mesdames T. T. Hutchison and E. R. Heal. The annual Royal Oak Red Cross tea will be held on Tuesday, Jan. 19, in the Community Hall.

S. SALT SPRING RED CROSS HAD BUSY YEAR

FULFORD, Jan. 20.—The annual meeting of the South Salt Spring Unit of the Red Cross took place in the Fulford Community Hall on Monday, Jan. 11, Col. J. Bryant, vice-president, presiding. Col. Bryant paid tribute to the late president, Rev. Father E. M. Scheelen, who passed away recently in Victoria. He spoke of the fine work he had done for the unit, as president, and said he would be sadly missed by all.

The financial statement was read by the secretary-treasurer, Mrs. A. Stevens, as follows:

The Women's Association of St. Paul's United Church will hold a luncheon on Wednesday, Feb. 3, at 12 noon, at which Mrs. W. G. Wilson, well known Victoria speaker, will deliver an address on Russia. The public is heartily invited. The luncheon will be held in the ladies' parlor at the church.

Activities Of Ganges Chapter Reviewed

GANGES, Jan. 20.—The postponed monthly meeting of Ganges Chapter, I.O.D.E., was held last Tuesday afternoon in Ganges Inn with the first vice-regent, Mrs. C. E. Baker, in the chair.

Routine business was dealt with and amongst correspondence read were the following: A letter from Mrs. C. L. Mackintosh, Vernon, who sent good wishes to the chapter for 1943 and enclosed a donation for war work; from two local men, overseas, acknowledging gifts

sent and also from recipients of Christmas presents. The summary of the Provincial Chapter meeting, read by the secretary, stated that a resolution had been passed asking that the surplus left over from the B.C. Spitfire fund be put towards the Hurricane for Australia. The letter, thanking the chapter for its assistance with libraries for the services, expressed the still urgent necessity for more books. One from Mrs. Sprott, Provincial regent, conveyed her greetings for the New Year, during which, she wished the chapter success in its work.

Mrs. Cecil Springford's resignation from the office of regent, owing to pressure of home ties, was heard with general regret and the secretary was asked to write expressing the feeling of the chapter and thanking her for the splendid work she had accomplished, during her two years in office.

The question of forming a junior chapter, so greatly recommended by the Provincial organizing secretary, was left over till the next meeting.

The vice-regent thanked Mrs. Martyn Jenkins for her efforts in raising \$39 by the turkey contest and a unanimous vote decided that this sum be made up to \$50 and sent to the Russian Relief Fund.

A report heard from the war work convener, Miss Anna Lees, stated that 26 articles had been received by her, during the month, and 32 sent off to provincial headquarters. Miss Lees read a letter from Mrs. Martin, which referred to the excellence of the work sent in; two more from local men acknowledged gifts of sweaters.

The chapter voted to send comforts to all local girls who had enlisted in the armed forces.

In compliance with Mrs. J. Mitchell's request for more assistance with the work of the sewing circle, Mrs. Harold Lees, Mrs. D. Fyvie and Mrs. Howling were appointed on the committee.

The chapter nominated Mrs. V. Best, Mrs. Dallas Perry and Mrs. Cecil Springford for Provincial Councilors.

The regent referred, in a letter, to the splendid progress made by the 2nd I.O.D.E. Guide Company and expressed her admiration for the work accomplished by the members. The chapter decided to make the guide captain, Miss Pauline Howling, an honorary member of the chapter.

Mrs. Baker reported the collecting of 55 deer skins, which have, this week, been shipped off to be made into jerkins.

The sum of \$5 was voted towards a fund for an island resident, who had recently lost her home and personal property, through fire.

Mrs. J. Byron donated \$2.50 she had recently raised, towards war work.

It was decided to hold a bridge afternoon, at 2:30 on Tuesday, Feb. 2, in Ganges Inn, the proceeds to go to the war work fund; Mrs. B. G. Wolfe-Merton was elected convener, with Mrs. Perry and Mrs. J. N. Rogers assisting.

Mrs. T. M. Ryan was received in, as a member of the chapter. Officers were, as usual, nominated by ballot for election at the annual meeting, which will be held on Friday, Feb. 5, in Ganges Inn; the nomination committee included Mrs. Lees, Miss Helen Dean and Miss Shirley Wilson.

Ten was served following the meeting.

British Destroyer Sinks Italian U-Boat By Ramming

The British Navy is striking terror into the hearts of U-boat crews by its method of sinking by ramming. When depth-charges have forced the U-boat to surface, the British destroyer races in for the kill, often cutting the enemy craft clean in two. Recent victims of these deadly tactics was the Italian submarine "Cobalto" which attacked a British convoy in the Mediterranean and was rammed and sunk by the British destroyer "Ithuriel" within the space of a few minutes. Some of the Italian crew were saved. Picture shows: The "Ithuriel" approaching the rapidly sinking "Cobalto" to take off those of the crew who remained on board.

Sidney And District Notes

Citizens are reminded to feed the birds during the cold, snowy weather. Bread crumbs, oatmeal, etc., will possibly save the life of many of our feathered friends.

The regular monthly meeting of the Women's Association of St. Paul's United Church will be held on Wednesday, February 3, in the church parlor at 2:30 p.m.

St. Paul's United Sunday School will meet at 2 p.m. instead of 9:45 a.m. for the remaining winter months.

The Sunday School of St. Paul's United Church will meet at 2 p.m. on Sunday instead of at 9:45 a.m. as heretofore. This will be the time for the remaining winter months. Parents of scholars are asked to remind the children of this change of time.

There will be special mention of the Aid to Russia Fund and an offering will be taken for that work at the services in South Saanich and St. Paul's United Churches, Jan. 24. Anyone desiring to make a contribution may send money to D. M. Perley, Box 43, Sidney.

Mrs. R. S. Ramsay and S. E. Matthews came via plane from Winnipeg, arriving Saturday to be at their mother's bedside before she passed away on Sunday, Jan. 17. Another daughter, Mrs. John Dolenc, arrived from Seattle on Sunday. John Matthews of Oakland, Cal., was unable to be here owing to unforeseen circumstances at this time.

The proposed annual meeting of the Women's Auxiliary of the Saanich Peninsula Branch of the Canadian Legion will be held on Monday, Jan. 25, in the Orange Hall, Saanichton. This meeting was to have been held Jan. 18, but

was postponed owing to weather conditions.

The Sidney Hostess House had an enjoyable treat last Sunday evening when the R.A.F. String Ensemble played at the Padre's Concert. The delightful program included the Raymond Overture, Tales from the Vienna Woods and Show Boat Selections. The leader, LAC George Walker, who is also the violinist, is to be congratulated on his enterprise. The other members of the ensemble are LAC Les Minto at the piano, LAC F. J. Montgomery playing the cello, and Cpl. Douglas Wilde with the double bass. It is hoped that this concert will be repeated in the near future. Next Sunday's concert will feature a one-act play by the Hostess House Dramatic Club.

Copper Wire Goes to War

Vast quantities of copper wire are needed for the war effort of the United Nations. The wire goes into aeroplanes, ships, tanks, and innumerable other things. Copper is also required for many other purposes than wire. There is not enough copper to go around, so the Government has severely restricted the use of wire in the telephone business. We must therefore forego adding materially to our lines and equipment until after the war. This is the reason why many people who want telephone service are now unable to get it.

The Maharajah Jam Sahib Of Nawanagar In Britain

The Maharajah Jam Sahib of Nawanagar, who is in Britain to represent India on the War Cabinet — seen during a tour of inspection of various army units.

The regular meeting was held on Saturday evening with the Beavers on duty. The troop went to the fire hall for instruction in the fireman's badge. Owing to the cold and stormy night the troop was dismissed after the instruction period. Several boys have passed tests during the week. Boys going to the Airport for the airman's badge must have their second class badge before they are able to go.

The class for the surveyor's badge started on Monday evening.

DIM-OUT

(EFFECTIVE, AREAS B AND C, FEB. 1, 1943)

I, the undersigned, Premier of the Province of British Columbia, pursuant to authority granted to me by the Minister of Pensions and National Health under Article 35 of the Defence of Canada Regulations, do hereby amend the lighting and black-out orders made by me on the 24th day of April, 1942, by adding the following as Orders 25 to 38:

25. AREAS—There are established for the purposes of these orders three areas known as Area A, Area B, and Area C, and described in the Schedule.

26. APPLICATION—Orders 25 to 37 inclusive are applicable only during the period from one-half hour after sunset until one-half hour before sunrise.

27. SEAWARD LIGHTS—Every occupant of a building, yard, or other premises in Area A or Area B shall prevent any light in or about his premises from casting any light, glare or reflection that is visible from any navigable waters.

28. INDUSTRIES—In the case of buildings, yards and premises in Area A or Area B used for construction or manufacturing purposes, if compliance with Order 27 is impracticable the operator of which compliance is impracticable, so as to diminish to the greatest possible extent the passage of light rays towards the sea. In respect of other lights he shall comply with Order 27.

29. STREET LIGHTS AND TRAFFIC SIGNS—Every municipal or other public authority in Area A or Area B shall shield and control every street light and lighted traffic sign or signal so as to prevent any light from being visible from navigable waters.

30. HIGHWAY TRAFFIC—No person shall drive a motor-vehicle upon a highway or open place in Area A or Area B unless he complies with the provisions made for motor-vehicles during any Precautionary Black-out period (with the exception of the provisions relating to tail-lights, stop-lights and licence plate lights), which provisions are set forth in detail in the Regulations relating to Lights that may be displayed on any Motor-Vehicle or Trailer during any Precautionary Black-out Period. No person in Area A or Area B shall drive at a speed of more than fifteen miles per hour.

31. BICYCLES—No person shall operate any bicycle in Area A or Area B unless such bicycle is equipped with a lighted front lamp that is completely blacked out with the exception of a horizontal slit one and one-half inches in length and one-quarter inch in width, located in the centre of the front glass on the lamp, and unless the light rays are directed downwards.

32. FLASHLIGHTS—If, in Area A or Area B, any local condition renders the use of a flashlight out of doors imperative, a flashlight may be used; but no person shall make use of a flashlight out of doors unless he has first satisfied himself that he cannot dispense with its use, and unless the flashlight has been dimmed by at least one thickness of newspaper print or material having the same effect, and he shall at all times direct the light downwards.

33. PARKING—No person shall have any motor-vehicle parked or standing stationary in Area A or Area B unless the headlights are extinguished.

34. SKYWARD LIGHTS—Subject to Order 35, no person shall, whether in Area A, Area B, or Area C, create any light from which there is direct passage of light rays towards the sky, without first shielding and controlling the light source so that no direct rays from the light source are emitted above the horizontal. This Order is applicable to street, traffic and industrial lights as well as all other lights from which direct rays are emitted upwards; but does not apply to motor-vehicles.

35. EXCEPTION TO ORDER 34—If the conditions of any industry or public service render compliance with Order 34 impracticable the operator of the industry or public service shall take such measures as are within his power to minimize the passage of light rays upwards.

36. PEDESTRIANS—No person in any municipality in Area A or Area B shall, where the streets are laid out in blocks, cross a street except at an intersection. Every pedestrian shall, to the utmost of his ability, avoid the use of that part of any road used by motor-vehicles.

37. POWER TO ISSUE SPECIAL ORDERS—If the Chairman, Provincial Civilian Protection Committee, or any person to whom he delegates specific authority, is not satisfied with the measures taken by any person or class or group of persons, he, or the person to whom he has delegated specific authority, may issue an order to that person or class or group of persons, specifying the measures to be taken by him or them, and appointing the time within which they are to be taken; and, if any person fails to comply with the order, he shall be guilty of an offence against these orders.

38. COMMENCEMENT—These Orders shall come into force, in respect of Area A, twelve o'clock midday on the 18th day of November, 1942, and in respect of Areas B and C on the respective days to be fixed by the Chairman, Provincial Civilian Protection Committee in respect of each of said Areas.

DATED at Victoria, B.C., this 13th day of November, 1942.

(Signed)
JOHN HART,
Premier of British Columbia.

REGULATIONS relating to Lights that may be displayed on any Motor-Vehicle or Trailer during any Precautionary Black-out Period within the Province of British Columbia.

BY VIRTUE of an amendment to the above Regulations the provisions now in force in regard to headlights read as follows and are applicable both during a dim-out and a precautionary black-out:

5. All headlights of motor-vehicles operated during any Precautionary Black-out must be completely blacked out, with the exception of a horizontal slit three inches in length and one-quarter of an inch in width. The horizontal slit shall be so located that the top of such slit shall be one inch below the centre of the headlight lens, and where a motor-vehicle is equipped with a multiple beam the lower or passing beam only shall be used.

Public Meeting Friday Night Re Water

(Continued from Page One)

uniform to all the lands the Letters Patent may provide that in the first Assessment Roll the several parcels of land should be entered as deriving a uniform benefit, but if it appears that all the lands will not derive uniform benefits but that they can be classified in grades wherein the lands of each grade will derive benefits approximately uniform, the lands may be classified in grades. The assessments therefore would be on the basis of benefits derived.

Section 191—(1) The objects of an Improvement District may include the following:

(a) The acquisition and operation of water licenses and works for the storage, delivery and carriage of water for irrigation and domestic purposes.

(b) Acquisition and operation of works for the improvement and development of lands by drainage, for the disposal of sewage and garbage, and for fire protection.

Section 199—Upon a petition of owners representing 66% or more of the total assessments of land in the Improvement District, the Lt. Governor-in-Council may dissolve the District.

Section 200—The District has power to levy taxes and has all the right and is subject to all the liabilities of a corporation and has power to acquire and sell real and personal property.

Section 201—The officers are the Trustees, the Secretary, the Assessor, the Collector and the Engineer.

Section 204—Subject to the Act, Rules and Letters Patent, full charge and authority over the acquisition and operation of the works and property and over the collection and expenditure of the revenue of the District is vested in the Trustees.

Section 214—There shall be annual election of Trustees.

Section 217—There shall be an annual general meeting of the electors of the District to receive a report from the Trustees and fix their remuneration for the ensuing year.

Section 228—A special general meeting may be called by Trustees at any time for the purpose of discussing matters with the electors, who may pass resolutions indicating their opinion respecting any matter.

Section 231—(c) In the event of drainage works being carried out there is power to charge the cost against the lands benefited.

(h) The Trustees have power, subject to the Act, to fix rates, etc.

(j) To borrow money from any person, etc., etc.

Section 232—The Provincial Water Board may order any by-law passed by Trustees, to be submitted to electors for approval.

Section 234—The Trustees may accept from the Crown a loan of money from the Conservation Fund.

Section 235—The Trustees may borrow money for the purpose of the Improvement District with the assent of the electors, and may levy taxes for payment of the loan and may give security in the form of a mortgage of the lands and works of the District.

Section 236—Trustees may borrow a limited amount to meet current expenditure without consent of electors.

Section 238—Trustees may pass resolutions for carrying on the business including construction and maintenance of any necessary works.

Section 274—Power to expropriate lands and pay compensation.

Section 281—Provincial Board may order District to supply water to land within the District.

Since receiving the above the editor of the Review has been in touch with Mr. Whittaker by 'phone and arranged for Major McDonald, Mr. Davis and Mr. Whittaker to be present at the public meeting on Friday night. Mr. Mayhew has just left for Ottawa, and left word to the effect that he will co-operate in every way possible to secure aid from Ottawa.

William Braden, engineer in charge of the Sidney water works, asks citizens to co-operate as much as possible in the crisis. During the turn in the weather many taps have been left open to stop freezing and this has added to pumping difficulties, the far away points of the system getting no water at all. He states this practice must cease — and failure to close these taps will result in the offending parties having their water turned off. There seems to be a big leak in the system somewhere as it is stated that more water is being pumped now than during last summer. Several parties have reported discovering water gushing out at different places, but on arrival of the Bradens from the pumphouse, or wherever they happen to be working, it has been found to be only a broken drain working overtime.

WEDDING AT ST. GEORGE'S

GANGES, Jan. 20.—At a quiet wedding, solemnized by Ven. Archdeacon G. H. Holmes at St. George's Church, Ganges, on Saturday evening, Jan. 9, Rita Isabella, third daughter of Mr. and Mrs. George Dewhurst, of Ganges, became the bride of Joseph Sydney Jordon, younger son of Mr. and Mrs. J. E. Jordon, of Duncan, Vancouver Island.

The bride, who was given in marriage by her father, wore a suit of striped blue material, with matching hat, veil and other accessories.

Attending the bride was her sister, Miss Joan Dewhurst, who wore a frock of pale blue.

Kenneth McLaughlin, brother-in-law of the bride, was groomsmen.

A small reception, at which only relatives were present, was afterwards held at the home of the bride's parents.

Following the honeymoon, Mr. and Mrs. Jordon will make their home at Duncan.

Salt Spring N.P.M. Obligated To Disband

GANGES, Jan. 20.—Owing to so many island men having joined the services and there not being enough left to form a platoon, the Salt Spring N.P.M. has been obliged to disband.

Prior to disbanding, 13 of the remaining men held a dinner at the Log Cabin last Friday evening, when Capt. D. Fyvie and Sgt. E. R. Etheridge of Victoria were present.

After addressing the men, 2nd Lieut. S. Wagg called on Capt. Fyvie to speak.

The remainder of the evening was given up to bridge, after which refreshments were served.

Girl Guides Meet In New Headquarters

GANGES, Jan. 20.—The members of the 2nd I.O.D.E. Guide Company recently held their second meeting of the year at their new headquarters, St. George's Parish Room, Ganges, lent by the courtesy and kindness of Ven. Archdeacon G. H. Holmes.

The afternoon was spent moving in and collecting firewood.

The Guide cupboard, 6 x 3 x 1, has been found too large for the room and as it could be used by anyone for preserves, linen, china, etc., it is being put up for sale.

DEPARTMENT OF MINES

ENGINEERS of the Department of Mines are always available to anyone desiring to discuss any geological or metallurgical problems. They are in the field during the summer and in Victoria during the winter. Engineers are also in residence in Vancouver and in Prince Rupert.

All rock samples sent in for identification are carefully scrutinized. If obscure, they are studied under the microscope and owners of these samples are advised of the Department's findings.

A spectrograph has been installed recently at Victoria and all prospectors' samples of particular interest mineralogically are spectrographed and the percentage of mineral constituents recorded. In this way obscure minerals that might be overlooked by visual inspection are discovered and the owners of samples immediately advised.

During the winter potential shippers of scheelite are requested to send samples of their product, WHICH MUST BE AVERAGE, to Victoria for analyses. If the product is of marketable grade and is within the required specifications, arrangements will be made for shipment to some designated centre and 50% of the value paid in cash and the remainder, after full analyses of the lot is made, by Ottawa or Victoria.

Ultra-violet lamps used for the detection of scheelite have been sent to the following offices for use during the winter months and prospectors desiring to have samples tested can either take them or send them to: The Department of Mines at Victoria, Vancouver and Prince Rupert; c-o Inspectors of Mines at Lillooet and Nelson; c-o Gold Commissioners at Barkerville and Revelstoke.

The following free Bulletins dealing with strategic minerals are available to residents of B.C. and may be obtained through the Department.

Bulletin No. 5 entitled "Mercury Deposits of British Columbia" deals very thoroughly with mercury minerals, geological occurrences, metallurgy, etc., and a description of properties in the Province up to 1940. This is a most useful bulletin for anyone contemplating prospecting for mercury ores.

Bulletin No. 9 entitled "Molybdenum Deposits of British Columbia" deals in the same way as Bulletin No. 5 with molybdenite deposits of the Province and will also be found useful to prospectors.

Bulletin No. 10 entitled "Tungsten Deposits of British Columbia" is being revised and brought up to date, as there have been many new discoveries in the Province and a considerable amount of geological data accumulated which should be useful to prospectors in their search for tungsten.

Also available are free copies of the "Prospectors' Guide for Strategic Minerals in Canada" by the Department of Mines and Resources, Ottawa, which gives an outline of occurrence and formation, mineral identification, marketable grades and specifications, buyers' prices, world production, Canada's position, etc.

The Annual Report issued yearly covers all statistics, a synopsis of the Mineral and Placer-mining Acts, information regarding the operation of the Prince Rupert Sampling Plant, progress notes on all mines visited by the Inspectors of Mines and a full account of the Coal Mining Industry.

Prospectors' acts of about 50 rocks and minerals are available for 50c per set.

A proclamation recently issued by His Excellency, the Governor-General, requires that every single man, born in any year from 1902 to 1923, both years inclusive, who has not already received a notice or order to report for medical examination under compulsory military service, must fill out a special form at the office of a Postmaster, a Registrar of a Mobilization Board or an Employment and Selective Service Officer not later than February 1st, 1943.

For this purpose the term "single man" also includes any male person who was a widower, or legally separated or divorced, and without a child or children dependent on him at July 15, 1940, or any such male person who has suffered the loss of his dependent child or children after that date; and any male person who, though married at July 15th 1940, since that date became a widower, legally separated or divorced, and is now without a child or children dependent on him.

Please observe that single men who have received notices to report for medical examination under the military call-up and who have been examined a required number of times are now in the Armed Forces, are NOT included in those to register by February 1st.

Penalties are provided for failure to register.
